

Chrome Extension Installation

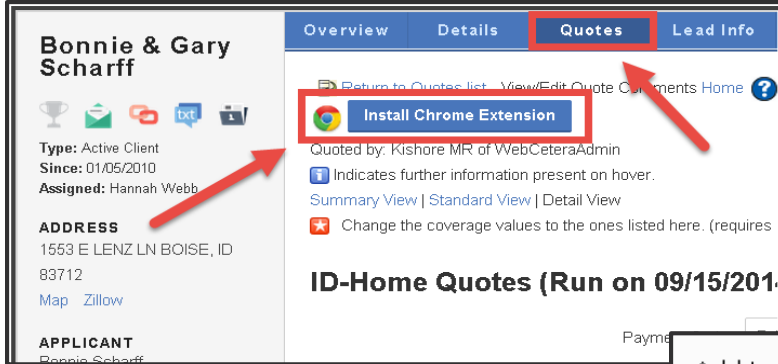

A Rating Engine and Management System Feature

All Rating Engine and Management System users should install the Chrome Extension before using the system. The installation button is located on the Dashboard Home page, the landing page when logging into EZLynx. For installation help, see screenshots below.

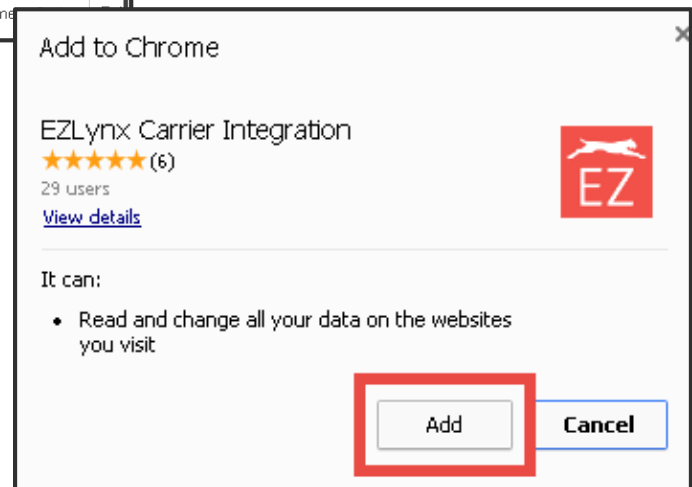

From the Dashboard Homepage, click *Install Chrome Extension*.

Or, click *Install Chrome Extension* from any completed quote.

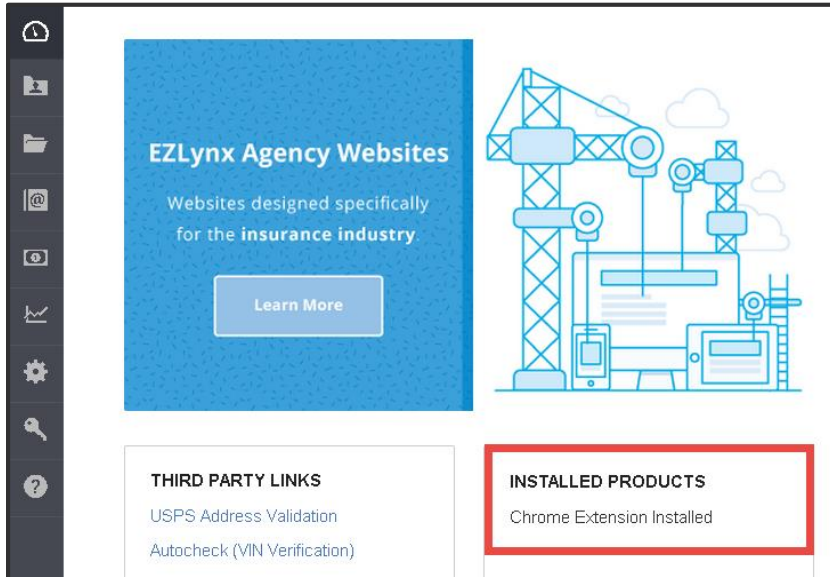

Click *Add*.

That's all there is to it! You're done.

Once installed, you can verify it is running in Chrome (chrome://extensions).

To view the Chrome extension, click the Chrome menu to the top right, go to *More tools*>*Extensions*.

For more information, go to the [Chrome Web Store](https://chrome.google.com/webstore).
